P@STA Newsletter

We started with *Holy, Holy* followed by *Don't Stop Praisin'*. At first few people were watching but soon children started to sit down and clap along. We then had a twenty minute break whilst a choir and dance act performed. It also gave the audience a chance to mob us with offers of bookings!

Rob, Lauren, Sam, Rachel and Emma performed five numbers outdoors at the *Celebration Event* organised by Wimpole Road Methodist Church & St George's Church of England at Old Heath Recreational Ground, Colchester. The weather was very drizzly with high winds. (But every time we came on the sun came out. Though we did need our road crew of Nick, Wayne, Wendy and a willing volunteer called Joel to hold the screens down.)

Upon our return we performed *People Need the Lord* and *Witness all over the world*. We lost three balls due to the high wind!

Finally we did *5000* as part of the Worship section. This told the story of the feeding of the 5000 complete with dancing fish!

At long last it was time to pack away and for the younger members to queue up for the free barbeque.
